

QUICK SCREEN USA.

United States' leading
slat fencing system

Complete slat
fencing solution

Contemporary
Horizontal Design

≡ Quickscreen aluminum horizontal slat fencing is for builders and homeowners who want their fence to provide privacy and safety, but also be a feature of their home.

≡ Multiple uses. Not only can you use as a fence or gate but also as a privacy screen to hide unsightly items like bins, air conditioners or pool pumps.

≡ Horizontal stylish design. The patented system enables slats to be inserted directly into the post for a slimline finish.

≡ Quickscreen achieves this look through their stylish aluminum slat sizes (2.56" & 6") that is strong durable and requires no maintenance.

≡ Add value to your home with your new fencing addition as well as privacy and safety with Quickscreen.

EXTRUDED & POWDER COATED

PREMIUM QUALITY FINISHES

Quickscreen aluminium horizontal slat fencing is available in four contemporary powder coated colours to compliment your home.

Our range of genuine Interpon AMMA 2604 series powder coat finishes have been carefully selected to include the most sought after colours on offer with a 25 year warranty.

Quickscreen goes through a 7 stage pre-treatment process prior to powder coating applied by fully accredited coating facilities.
